BOSTON HAS FIFTH HOTEL FIRE IN WEEK

Bostog. June 22.—The fifth hotel fire within a week, all of them of unknown origin, was discovered at the Hotel Escape active today while every hotel in the city was specially guardedto prevent such occurrences. All of the fires have started in hallways or closets and the police believe they were of incandiary origin.

The damage to the Essex amounted to \$500. The other fires were in the Hotel Brewster, damage about \$8,000; the American House, \$2,200; the Holls House \$500, and the Adams House where the damage was slight.

Destroys fleas, bedbugs, roaches, mosquitoes, etc. Ask for Black Flag in the sealed glass bottle at drug, department, grocery and hard-ware stores. Three sizes, 15c., 40c., 75c. Black Flag, Baltimore, Md

R, L BED HENS PASS

The most prominent feature of the Sith week of the laying contest at Storrs is the fact that a pen of Rhode Island Reds owned by Pinecrest Orchards, Groton, Mass., has relegated to second place to the Control of the a pen of Barred Rocks owned by Jules F. Francals, Westhampton Beach, L. I. Jules F. Francals' Barred Rocks have Jules F. Francais' Barred Rocks have been the leading pen in the contest for the past five weeks but at no time during this period did they have a lead of more than fourteen eggs on the pen of Reds from Groton, Mass. A pen of Rhode Island Reds owned by Deer Brook Poultry Farm, Short Falls, N. H., has replaced Charles H. Lane's Reds for the third best pen of Reds. During the 34th week the hens in the contest at Storrs laid 3876 eggs or a production of 55.4 per cent. This is a drop of 258 eggs over the preceding week and 174 eggs less than the five year average for the same week. First honor for the week goes to Pinecrest Orchards' Rhode Island Reds from Groton, Mass., with a yield of 59 eggs. Hollywood Farm's White Leghorns from Groton, Mass., with a yield of 52 eggs. Hollywood Farm's White Leghorns from Hollywood Wash., was second with a total of 55 eggs. Mrs. R. W. Stevens' White Wyandottes from Schuylerville, N. Y., was third best with a total of 52 eggs. Three pens of Leghorns, namely, Clifford I. Stoddard's from Woodbridge, Conn., Imperial Poultry Farms from Elizabeth, N. J., and Francis F. Lincoin's from Mount Carmel, Conn., all tied for third place with a yield of 51 eggs each. With the oncoming of warm weather the removal of the male birds from the flock will be found advantageous, in that it will not hinder egg production and the sterile eggs which the hens produce will keep much longer and will not deteriokeep much longer and will not deterio-rate so quickly in transit.

The three best pens in each of the

principal varieties are as follows: Plymouth Rocks. Jules F. Français (Barred) West-
